The Hampton Roads Garden Club Newsletter

October 2022

Hi Ladies, I hope you enjoy my first attempt at a monthly newsletter. I envision the newsletter as a reminder of our upcoming meetings and events with added interesting information about our club and our members. There might be a fun tip about gardening or arranging or an article about conservation or horticulture. Over time I hope that this evolves into something that each of you look forward to receiving each month. Let me know your thoughts and suggestions, I would love your input.

Happy Fall,

Mary Johnson, President

The Buzz on Bees!

...
Did you know that bees sleep between five
and eight hours a day, sometimes in
flowers? Also, they like to sleep with other
bees and hold each other's feet 🥰
