The Hampton Roads Garden Club Newsletter

October 2023

With the cooler temperatures and less humidity, fall seems to be slowly creeping towards us. I love fall and everything that goes with it. Fun pumpkins, colorful leaves, football games, cozy sweaters, and pansies and cabbages in our gardens are just a few things that bring me joy! Fall is also a very busy time with school starting, clubs and organizations beginning their year, and many community and sports activities. The HRGC is no exception, we are busy as bees! Our October meeting has a full agenda including three New Member Proposals from the Admissions Committee, the Member Placement Survey from the Nominating Committee and the deadline for our Poinsettia Sale orders to be turned in. September has flown by and our October meeting is fast approaching so I hope you will take the time to read the newsletter and then join us for a fun informative meeting! Mary

Historic Garden Week

EXCITING NEWS!! We have been asked by the City of Poquoson to participate in the 2023 Poquoson Seafood Festival as an opportunity to promote Historic Garden Week! If you have not been to the Festival before you are in for a real treat - The Festival is in its 41st year and is a tribute to the working watermen of Hampton Roads. This year will be the Festival's 41st year and they are expecting about 40,000 people to visit during this three day event.

There is live music, 160 arts and crafts vendors, and of course SEAFOOD! ...and now flowers!...

This year the dates are October 20-22. Festival Hours are Friday 5-10pm Saturday 10-9pm, and Sunday 12-6:30. The Committee really needs your help - We want to have an amazing booth and are looking for volunteers to come and help spread the word of what will be a record breaking HGW! Currently we are asking for volunteers to both man the booth and provide a few creative floral arrangements. A couple of notes:

- This is a sit down position - no standing, and you can order some GREAT seafood to munch on.
- Feel free to take turns and walk around and enjoy the artist and craft vendors
- Feel free to bring a friend or family member if they would like to help as well! More the merrier!
- You can work in teams to make one arrangement or individuals - we have asked for 2 people/arrangements - one for Fri. one for Sat.

Once we get closer we will provide more information on parking, booth location, etc. We know this is an extra "ask" but we promise it will be a fun event and will help spread the word on HGW! Sign up for a shift at the link below. If you have any questions, please contact Sam Bishop at samantha.bishop@cgexchange.org Thank you for your help!

From The Mariners' Museum

We have received a thank you letter from Mariners' Museum President and CEO Howard Hoege thanking the HRGC for our annual contribution of mulch. On the letter he wrote a handwritten note for our members. "With great appreciation I thank the Hampton Roads Garden Club for your support of The Mariners' Museum and Park. This investment comes at The Perfect Time, as we recently brought our turf maintenance and landscape management entirely in-house. The "start-up" challenges of hiring a team and purchasing equipment etc., were offset by your

continued investment and knowing that the HRGC remains a trusted partner to us!"

Happy Birthday To You!

Happy Birthday to our members who will be celebrating birthdays!
